

North Spokane Corridor

SR 902/Medical Lake Interchange

Barker Road Grade Separation and Henry Road Interchange

The 2015 Transportation Package: A Win For Spokane

We support the proposed transportation package that is pending passage in the state legislature. The package will fund critical local projects including maintenance and preservation projects and the completion of the North Spokane Corridor. It's an important investment in our region's future and economy.

SUPPORTERS:

Benefits for Eastern Washington

MORE JOBS & OPPORTUNITY

\$1 billion investment in our region's infrastructure

\$2 billion in overall economic impact

10,000+ living wage jobs for our region

BETTER/SAFER ROADS & BRIDGES

9.4 million hours in travel time saved (with completion of the North Spokane Corridor)

26% Washington's bridges are structurally deficient or functionally obsolete

34% Washington's major urban roads in poor condition

22% Washington's rural roads in poor condition
